Auction Instructions

LIVE AUCTION

Approximately 20 items will be auctioned live on the evening of November 4. Please be generous in your bids. This is our biggest fundraiser and continues to be an enjoyable community event for the entire year. You may pay for your live auction items in person on opening night with cash or check. Or you can pay by credit card via the REALM website or REALM Text to Give option. A link to instructions for using either of these options is available on the Service Auction Web page (muuf.org/service-auction).

SILENT AUCTION

- Silent Auction Item bidding begins the same evening as the Live Auction and continues between and after Sunday services on November 5 and November 12.
- For items that have a minimum bid: you may continue to bid but MUST bid a higher price than the previous bidder to successfully win.
- For items that have a fixed bid: the first people to sign up win. Later bidders will be placed on a wait list.
- You will be notified and invoiced by email if you are a winning bidder for silent auction items.
- If you are the winner of a particular service or item, it is your responsibility to contact the donor once you have paid to arrange for pickup or delivery of the service or item. Items stored at the Fellowship will be available for pick up upon payment of your invoice.

PAYMENTS

Payment is due for all items by two weeks after you receive your invoice. We will offer the opportunity to pay for your winnings and pick up your items stored at the Fellowship on two Sundays, November 19 and 26. Please make out your check to Morristown Unitarian Fellowship, write "Service Auction" in the memo line, and mail to: Morristown Unitarian Fellowship, Attention: Service Auction, 21 Normandy Heights Road, Morristown, NJ 07960. If we do not receive timely payment in full for your winnings, your place will be offered to the next person on the wait list.

EVENTS (DINNERS, ETC.)

If you later find that you are unable to attend an event, you should contact the Fellowship Administrator, who will check the waiting list to find a replacement. Alternately, you may consider your payment to be a tax-deductible donation to the Fellowship. Also, please notify the host/hostess of your unavailability.

SERVICES

Some services have dates by which the service must be taken; all other services must be taken by September 30, 2018. If you have bought a service but do not take it by the time limit, your payment will be considered a tax-deductible donation to the Fellowship. Thank you.

All goods and services are offered "As Is." You participate in all events at your own risk. By his or her purchase, the buyer waives any claim for liability against either the Morristown Unitarian Fellowship or the donor of property or services that may result from the utilization of property or services sold. The Service Auction Committee reserves the right to determine the winning bid(s), to make any corrections to a listing, or to withdraw an item that does not reach the minimum price. Decisions of the committee are final.

Thank you to Fellowship members and friends who have been generous in donating their time, talents, and the use of their homes. In addition to helping raise funds, you help weave the threads of community that make our Fellowship a special place.

For any questions, please email admin@muuf.org.

INCREMENTS – If an item is marked minimum bid and beginning bid is \$100 or less, you must raise the bid by \$5 to be considered. If minimum bids are \$101–\$199, bids increase by at least \$10. If items start at \$200 or more, bids increase by \$25 or more.

FIXED PRICE – This is THE price. **ONE NAME** to a line please.

PROXIES – If you have been authorized to bid for someone who is not present, you should receive instructions on items of interest and maximum prices that you are authorized to bid. You will be given a proxy bidding paddle to use during the Live Auction.
