

How to re-offer a previous item

- 1) Login to your account at this link: <https://togetherauction.com/muuf>

Type in your phone number (with dashes) and most likely your PIN is the last four digits, unless you have previously changed it.

Login using your phone number and PIN

You may already be registered - try using the last 4 digits of your phone as your PIN.

We encourage you to change your PIN after you sign in - use the Edit link next to your address on your Statement page.

To register, login with your phone number to make a blue "I'm new" link appear below.

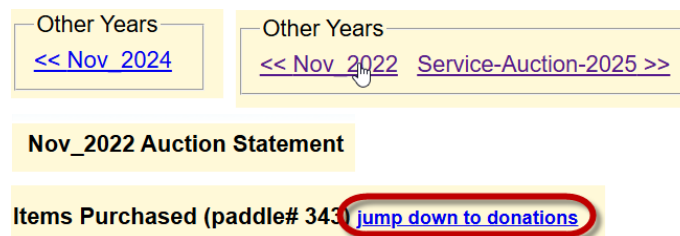

Enter your phone number: Enter phone numbers like this: 973-555-1212.

Enter your PIN: **3600**

- 2) Confirm that you have logged in correctly. Click the Donate button

- 3) Click on the "Other Years" link to navigate to previous years, going back to 2019. Confirm the year of the auction. In this case we have navigated to Nov 2022. Then click the "Jump down to donations" link.

- 4) Find the item you want to re-submit and click "Offer Again"

Lessons/Classes ED1	Learn to Drive a Manual Transmission	3	\$30.00	
	Driving a manual transmission is an important but increasingly rare life skill, especially if you think you may want to drive outside the USA. This item is aimed at youth just learning to drive and at adults who have avoided learning until now. Learn the basics and then progress to advanced techniques.			
	Three separate 1 hour classes in an indestructible 1999 Subaru Forester with 5-speed stick are offered. Buy just one class, or if you buy all three, Gabor guarantees you will master this skill. The lesson will continue until you are comfortable.			
	Offer Again			
	Buyer	Email all	Phone	Qty
	Sean Mahoney		908-324-8074	1
	Carol Johnson		973-568-7000	1

- 5) Fill out the form, changing whatever needs to change, such as the date, the price, the description, etc. and click "Save (OK/Submit/Send)"

Save (Ok/Submit/Send)

- 6) Confirm in the online catalog that your re-submitted item is there.

Thank You!

Thank You

Your auction item donation will now appear in the online [catalog](#).

There is a video showing this process here
